

NOCN Functional Skills qualification in English at Entry 1 - 500/8835/X

Rules of Combination: To achieve the NOCN Functional Skills qualification in English at Entry 1, candidates must normally achieve the three components of Speaking, Listening and Communication; Reading; and Writing. These will be controlled assessments which are internally marked and externally verified. Centres may contextualise the assessments written by NOCN, devise their own assessments in line with the guidance in the mark scheme or may use the NOCN devised assessments as set. Where a candidate is unable to access components of the assessments using assistive technologies, NOCN will, as a last resort, exempt the candidate from the assessment. However, a candidate must complete some element of assessment and cannot, therefore, be exempt from the entire assessment for the qualifications
